Tournament Scale

48 Teams, 104 Matches, Across 16 Host Cities.

Opening Match

11 June, Mexico City (Estadio Azteca).

The Final

19 July, New York/New Jersey (MetLife Stadium).

Project Management Team

Project Manager

Nathan Bedford

Technical Manager: Harry Sainsbury

Installations Manager: Lee Jones

Tracking Operations: Dom Radford

Data Operations: Sam Rance

RO Lead: Samir Baza

Logistics Manager: Louise Lynn

Event Management: Laurence Upshon

Event Management: Matt Skevington

ADMIN

Health & Safety

The Event Risk Assessment is soon to be accessible via the [Centralised Sheet](#). At your earliest opportunity this needs to be read and signed by all staff working at FWC26.

It is the responsibility of the VM to ensure that the venue team receive adequate rest and the IBC Supervisors to ensure that IBC staff receive adequate rest. The event schedule has been created by the Project Management team and the expectation is that all staff will adhere to this to achieve the standard work to rest day ratio. Pre-approval from the PM will be needed if this cannot be achieved. VMs / IBC Supervisors should also be conscious of working time whilst planning call times. The schedule is subject to change to meet the needs of the business.

A reminder that all staff require a period of 8 hours of rest after arrival (international travel, 5+ hour flight) prior to any onsite activities. Administrative activities such as collection of accreditation is permitted. This has been considered within the schedule, but please be mindful of this plan if you encounter delays to flights.

Given the high probability of “jet lag”, particular caution should be taken when working during the first few days after arrival.

Expenses & Invoices

FTC Employees

All permitted business related expenditure should be claimed in accordance with regional expenses policy. This includes any claims for subsistence or PD's permitted under regional policy. Following discussions with the Football Staff Advisory Panel, all employees are eligible to claim for Rate A or equivalent for this event, irrespective of whether Hawk-Eye / FIFA provide catering.

The IO is as follows: **FIFA World Cup 2026 - FBWC26CH49OP**

All expenses should be submitted **no later than 31 July 2026**. Late expenses may not be reimbursed.

Freelance or consultant workers

For freelance or consultant workers, invoices should be submitted **no later than 31 July 2026**. Invoices should have your assigned PO number on (if applicable). Invoices should be sent to invoices.fifa@hawkeyeinnovations.com for pre-approval. Invoices submitted to any other address shall be rejected. An invoice template can be found [here](#). All invoices must include name, job role, location (venue name or IBC) and be costed against **FBWC26CH49OP**

Please contact the Project Management team
FWC26.Management@hawkeyeinnovations.com if you have any queries regarding the above.

Airline Baggage

Unless approved in advance (and circumstances are exceptional) there will be no expenses approved for extra baggage costs. It's the responsibility of each traveler to check their baggage allowance across all flights and to prepare accordingly. If you feel your baggage allowance does not cover your time away please let the Project Team know no later than 1 week prior to your travel. Remember to account for extra space on the return flight in case of bringing home merchandise.

Be prepared for the need to check in airline baggage between connecting flights. Please check this before travel for you flight

Mobile Phones

All staff travelling to USA, Canada & Mexico are eligible to purchase a local sim card and plan or e-sim. No roaming costs should be expenses unless explicitly pre-approved by the Project Team. When working at the venues and in public places please make every effort to use WiFi to preserve your local data.

We recommend purchasing the SIM at a stand in the arrivals hall at the airport if you do not already have an active local SIM. **We recommend reputable brands or eSIMS prepaid data bundle up between \$15 to a maximum of \$30 per person based on duration of stay.** This should be adequate for the majority of staff - only staff staying beyond 28 days will normally require a "top-up". All top-ups must be approved by the Project Manager or Duty Manager in advance.

If you get a new local number please record it on the [Staff Contact Sheet](#) + please check the contact number is correct

Recommended E-Sim Providers:

[Saily.com](#) - Use referral code **LAUREN5057** for \$5 credit
[Aralo.com](#)

Debit Cards / Credit Cards

Please note that as VISA is a key sponsor of FIFA, only VISA cards may be accepted at outlets at venue (not Mastercard, Amex, non- VISA Monzo/Revolut etc).

Social Media:

All HEI staff are bound by the relevant Social Media and general Media policies. In particular, staff should not post any content onto social media that links HEI to FIFA / the tournament. Furthermore, staff must not upload images or photos of their accreditation to any social media platform.

Staff must only use their accreditation / access zones for the sole purpose of activities in accordance with their role. Please remove accreditation after you leave the venue - do not wear it when "out and about".

Security:

Similar to previous FIFA tournaments, venues, including IBC will undergo security sweep prior in the buildup to the first match. If this takes place whilst you are due to be onsite, it will be communicated by your venue manager / IBC Supervisor.

During a security sweep all staff must leave the site. It may be necessary to leave all cabins / equipment unlocked for the authorities to check. FTI Manager will coordinate with Venue Manager if required.

As always at large public events, remain vigilant and report any suspicious activity or items to the relevant authorities.

Escalate any security related incidents, including IT security issues to the Venue Manager and the Event Project Manager.

Catering

At the time of this version of the guide, Hawk-Eye are close to securing catering for IBC and Venue based staff. The plan is to provide 1 meal per working day that will be either lunch or dinner based on the shift you are working or match time at venue. This will be on top of being able to claim for a Rate A or equivalent PD. More details to follow after acceptance.

Provision of catering to employed staff is subject to applicable regional workers agreement.

Uniform / Clothing / “Stash”

Please pack sensibly. Daily high's in USA, Canada & Mexico in June/July can vary between 22°C-36° depending on city. The IBC and operational work spaces will be air conditioned.

Replay Operators (only ROs):

- Match Days: FIFA provided uniform
- Simulator / MVAR / training sessions: FIFA provided uniform

You will receive uniform from FIFA.

Venue Staff:

You will be provided with FWC26 uniform to wear when working onsite on match days. On non match days you can wear either Hawk-Eye or FWC26 uniform.

IBC Staff:

You will need to wear standard Hawk-Eye uniform in the IBC, particularly a Top/Polo. It's expected that you will have enough HEI Tops/Polos to wear each working day. There will be washing and drying facilities at your accommodation. If you require more clothing, please contact your local regional management team.

There may be some leftover FWC26 uniforms after venue distribution that will get evenly distributed, but as there is not enough for adequate rotation, these will be taken home as memorabilia. If FIFA provides us with additional uniforms to allow adequate rotation and requests that they be worn, we may change the policy.

ALL STAFF:

Strictly no sports team clothing permitted when onsite or at IBC. No ripped jeans, inappropriate trainers, vest tops etc. No overt non-Adidas sports branding, particularly on match days. Also please do not wear non-FIFA competition clothing onsite or bring non-FIFA rucksacks, water bottles etc (e.g. UEFA “stash”).

Note, no HEI branding when pitch side or in the media tribune. Hawk-Eye logos may have to be covered with black tape or similar. This is extremely important for sync test or when checking the RRA, tablets or similar. You should wear long trousers on match days if you need to go pitch side. The VM is responsible for the appearance of onsite staff. Staff who are in view of the VOR cam must also cover any Hawk-Eye branding (e.g. RO, AROs).

BEFORE YOU TRAVEL

Pre-Travel Checks / Logistics

Hawk-Eye Travel Letter

A Hawk-Eye travel support letter will be provided on or before Tuesday 28th May. These letters will be emailed to you individually and will contain the necessary information and supporting documentation to help you pass through customs correctly.

iSOS

The International SOS Travel Tracking app is a crucial tool for ensuring the safety and well-being. It is mandatory that everyone travelling has the iSOS app installed on their device ahead of travel.

[Download on the Apple App Store](#)

[Download from the Google Play Store](#)

Documentation Preparedness:

Ensure all relevant paperwork is complete, accurate (e.g. names, date of birth, passport numbers), and aligned with the purpose of travel.

A reminder, it is the **individual's responsibility** to check that they have received the correct documentation prior to travel. This includes:

- Flight confirmations (whether booked by HEI or FIFA)
- Accommodation confirmation (whether booked by HEI or FIFA)
- Accreditation
- VISA approvals as required (including ESTA)
- Hawk-Eye generated travel letter or other support documentation

A Pre-Event Checklist will be released Thursday 21st May to ensure you have not missed anything.

Please escalate if you have not received the documentation 14 days prior to expected travel. Do not leave it to the night before travel to say something.

Accommodation & Hire Cars

Accommodation

We've chosen Airbnb for this event that has proven to be most suitable based on previous events and feedback.

Each booking has been carefully checked to meet our requirements and standards.

Access Bookings:

[FWC26 - Accommodation & Car Hire](#)

This sheet contains addresses, check-in/out dates, co-occupants, booking links, and an interactive map. Check-in instructions may be added up to 24 hours beforehand.

Replay Operators:

All Replay Operators will stay at the Ritz-Carlton Dallas Las Colinas, arranged by FIFA.

Hire Cars

Each venue will be assigned 1 hire car apart from Mexico where Uber will be the preferred mode of transport.

At the IBC we have been assigned 28 VAPPS (vehicle access parking passes) and have booked 28 hire cars for the accommodations with the longest duration. We will be actively looking to car share where possible. Failing that, public transport or Uber costs will be accepted within reason.

Access Bookings:

[FWC26 - Accommodation & Car Hire](#)

International Drivers Permit (IDP)

If you require an IDP, you will have been contacted directly by our logistics team. If not, you do not require one but may feel free to research yourself.

An IDP may be required, the cost of the permit can be expensed.

More Information:

paypoint.com/international-driving-permits

Local Travel

All staff, excluding ROs, must manage their own local travel, including airport transfers, as HBS or FIFA will not provide it.

Be aware that the local transport network may be congested on match days. Allow extra travel time, as setup routes may be blocked or diverted.

Hire Cars

Due to public transport options, each venue team (excluding Mexico Venues) will have a car and a parking pass for their stadium. Those working at the IBC, the 28 longest accommodation bookings will have a car.. Start / finish times at the IBC will vary depending on match assignments. Car pooling may be required in some cases.

Public Transport

Please review public transport options to get between accommodation and venues. The VM should investigate if there is a local tram/metro/trains etc stops nearby, and the route between accommodation and venue. In previous editions of the World Cup, free public transport was available for accredited tournament staff. Further info may be provided at a later date.

Tolls

It's important to check your daily route to and from the venue to ensure you are prepared. Please review non-toll routes as often they will only be marginally slower. If tolls are completely unavoidable you may need cash or card.

Uber

As mentioned, rideshare options can be used if other travel options are unavailable or not practical. We recommend downloading their App prior to travel. Please note,

When booking, please use Uber accounts are linked directly to HEI; bookings can be made and expensed directly using event IO. Please use the links below to set up HEI Uber account on personal device. These costs should NOT come through concur.

Use your mobile device's camera to scan the QR code, which will open the Uber app. Then tap **Join now**. Or, sign in and create an account [here](#).

Or, enter a PIN code in the Uber app

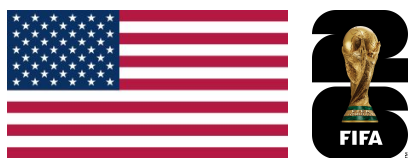

F 4 S - R H M - E 6 I

- 1 Open the Uber app and go to Account then Wallet
- 2 Go to "Ride profiles" section and click on "Add another business profile"
- 3 Select I have a code and enter the code

TRAVEL TO THE US

United States of America

Language

English is the official language of the USA.

Money:

The national currency is the United States Dollar (\$). ATMs are widely available and foreign currency can be easily exchanged at hotels, banks and bureaux de change. All major credit cards can be used in the US. We advice using banks for ATM withdrawals.

Cultural Advice

Further cultural information can be found [here](#).

Tipping

In the US, tipping is a common practice, particularly in service industries. While not legally required, tipping is expected and can significantly impact the income of service workers.

20% is considered standard

15% is considered minimum

Food / Water Risk

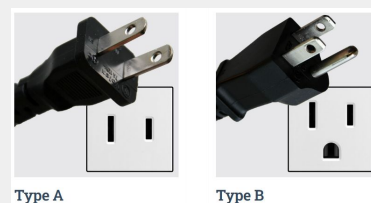

Food is safe in the US.

Tap water is safe.

Power

Type A and Type B

Full Destination Guide - [USA](#)

On arrival to US - be prepared to re-check bag and go through security again with connecting flights

Standing Travel Advice

- Remain alert to your surroundings and observe basic security precautions to mitigate the risk of petty and opportunistic crime.
- Maintain a low profile and heightened vigilance in trouble spots where crime is typically higher.
- It is advisable to carry original identification documents at all times.

TRAVEL TO CANADA

Canada

Language

English and French are the official languages of Canada

Money:

The Canadian dollar (C\$) is the national currency. The US dollar may be accepted in some border towns and at most hotels, shops and restaurants, though they may offer a lower exchange rate than banks. All major credit cards such as MasterCard and Visa are widely accepted.

Cultural Advice:

Further cultural information can be found [here](#).

Tipping

It is customary to tip 15% on the total bill before tax

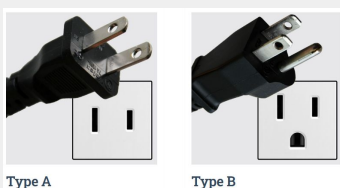

Food / Water Risk

Food is safe in Canada.

Tap water is safe.

Power:

Type A and Type B

Type A

Type B

Full Destination Guide - [CANADA](#)

STANDING TRAVEL ADVICE

- Travel to Canada can proceed with standard security precautions.
- Take sensible security precautions against petty and street crime.

TRAVEL TO MEXICO

Mexico

Language

Spanish is the national language, but English is widely used in business circles. Hotel staff are likely to speak English, particularly in the US border region, large cities and popular tourist resorts.

Money:

The official currency is the Mexican peso (MXN). most business-class shops and restaurants are happy to accept internationally recognised credit cards

Cultural Advice:

Exercise situational awareness and prudence when discussing issues related to organised crime, especially in HIGH-risk locations of Mexico.
Use caution when photographing areas considered security- related areas.

Tipping

It is customary to tip 15%-20%

Food Risk

Foodborne illness is common.

To reduce your risk:

Food served in larger hotels and well-known restaurants should be safe..

Avoid street vendors and market food because the standard of hygiene may be low and food may not be fresh.

Water and Beverages

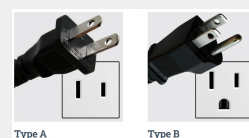

Tap water is unsafe.

Drink only bottled or boiled water or carbonated drinks.

Avoid ice, as it may have been made from unsafe water.

Power

Type A and Type B

Full Destination Guide - [MEXICO](#)

STANDING TRAVEL ADVICE

- Travel to Mexico can proceed with some heightened security precautions such as only use of Uber and pre vetted accommodation.
- Be highly vigilant against petty and street crime.
- Carefully plan all aspects of their itinerary and be confident in their accommodation, transport, communication and security arrangements prior to travel.

Travel to Mexico via US Transit

Ensure you have all necessary documents and understand baggage procedures.

Required Documents

Passport

Valid for duration of stay.

ESTA / VISA

+ US Transit Support Letter.

Onward Ticket

Confirmed ticket for return flight

Accommodation

Confirmation for next location.

On arrival to US - be prepared to re-check bag and go through security again.

Upon Arrival to Mexico

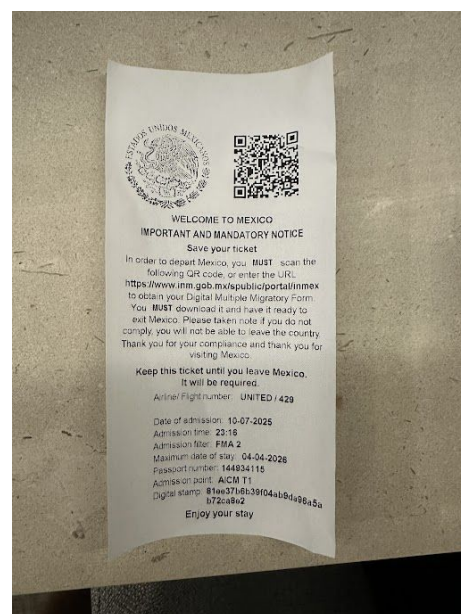

Once landed at either MXC, GDL or MTY head to immigration

Passport: Must be valid for the entire duration of your stay in Mexico.

Immigration Form (FMM): You will receive a tourist card (FMM) at the immigration border.

If you have an e-passport head to the e-gates available at both GDL and MTY and proceed through, here is where you should receive your FMM.

CRUCIAL: Keep this card/ticket safe throughout your trip; you are required to surrender it to immigration officials when leaving Mexico.
